DISSERTATION

The State, Industry, and Social Welfare: The Case of The National Recovery Administration 1933-1935. Chairpersons: Charles Tilly and Mayer Zald. Dissertation research under the auspices of the Center For Research on Social Organization (CRSO), in the Department of Sociology at The University of Michigan. Other Committee Members: Philip Converse, Jeffery Paige, and John Tropman. The dissertation used both secondary and archival data to understand the origins of the National Recovery Administration, considered the greatest peacetime experiment in social planning in the history of the United States. The dissertation committee included members of the National Academy of Sciences (Tilly and Converse); American Philosophical Society (Tilly and Converse); winners of the distinguished scholarship award in sociology (Tilly and Paige); and the scholarship award of the Academy of Management (Zald).
